

Empowering couples with tools for a successful marriage.

Dear Ministry Supporter,

We would like to provide you with the following information regarding the usage rules of your winning Certificate:

Accommodations: Your winning Certificate allows for accommodations in up to two or three rooms, as specified on the Certificate. It is important to note that there is a required nightly all-inclusive supplement ranging from \$145 to \$300 per person, based on double occupancy. The exact amount depends on the resort you choose and your selected travel dates. This supplement covers various amenities, including dining (breakfast, lunch, dinner, and snacks), unlimited beverages (including alcohol), and resort activities such as non-motorized watersports. Please be aware that government taxes and service charges are additional costs.

Payment and Booking: When booking your vacation, a deposit of \$600 per room will be collected. The remaining balance is due 30 days before your arrival unless otherwise advised.

Transfer of Certificates: You have the option to transfer your Certificate to a family member or friend if you wish. However, please note that advertising or reselling Certificates online on platforms like eBay, Amazon, Craigslist, or similar sites is not permitted.

Reservations: To redeem your Certificate and make reservations for your vacation, please contact Elite Island Resorts at (866) 611-5081 or email certificates@eliteislandresorts.com. Keep in mind that accommodations are subject to availability, especially during peak travel periods. Additional surcharges may apply seasonally and during Christmas week and February. Please ensure that all travel is booked before the "Expiration Date" indicated on your Certificate once received. If you need to extend a Certificate beyond the "Expiration Date," a fee of \$100 may be charged. Additionally, all Certificates are subject to prevailing rates at the time of booking.

Air Transportation: Please be aware that air transportation is not included in the Certificate. However, Elite Island Resorts can assist you in making air travel arrangements as they have access to airline fares and availability.
